

2018

Do you ever feel like you have too many toys in your house? And wonder where are you going to put all the toys your children get for Christmas? Donate them to Play it Forward Pittsburgh! We're collecting gently used toys and then offering them free to families who are in need or might be having a tough year.

There are a few ways that you can help :

- Donate your gently used or new toys, books , games, electronics , sports equipment , bikes , and movies (dvd only)
- Donate supplies
- Donate your time and bring your families
- Donate funds via Paypal to playitforwardpittsburgh@gmail.com
- Share this information with someone who may need some gently used toys this holiday season

Play it Forward will take your used toys and offer them to families in need. Simply drop off your toys to any of our drop off locations throughout the region by their drop off date or at our David L. Lawrence Convention Center location from December 10th – 12th, 2018.

Then, on Saturday, December 15th, 2018 from 8am- 3pm, families in need of toys for their children can come and "shop for free" at our David L. Lawrence Convention Center Location.

Each family is invited to take up to 3 toys and 3 books per child for FREE.

Visit us online for drop off locations and more information.
