

Are you struggling to provide toys for your children this holiday season? We can help.

Play it Forward Pittsburgh is a gently used children's toy drive. We are collecting gently used or new toys, books, games, electronics, sports equipment, bikes and movies and offering them free to families in need.

On Saturday, December 17th from 8am - 3pm, families in need of toys for their children can come and "shop for free" at our David L. Lawrence Convention Center location.

Each family is invited to take up to 3 toys and 3 books per child for FREE.

Families do not need to sign up or register, just show up that day. The shopping event is first come, first served. We will distribute toys until 3 pm or until the toys are gone, whatever comes first. All you have to do is show up! You are not required to bring anything (no documentation needed) with you to prove your need. We work on the honor system. We ask that you honor the system.

Important Line Up information: *When coming to line up to shop for toys, you should line up at the outside doors to Play it Forward Pittsburgh's location. **You MUST line up outside the Convention Center West Hall in front of the outside doors.** We will begin to handout out wristbands beginning at 7 am. You must be present and in line to receive a wristband. If you arrive prior to 7 am it is recommended that you remain in line until wristbands are distributed. The lineup area is outside. Please dress appropriately. When you receive your wristband it will have written on it a specific time for you to return and shop. You will not need to remain in line once you receive your wristband. Shopping will not begin until 8 am. Once shopping begins, we will invite shoppers into the Convention Center location to shop for their children. The line will continue to move until all shoppers have shopped or all toys have been distributed, whichever comes first.*

The order is determined by your wristband.

It is recommended that you bring your own shopping bag(s) with you on shopping day!
