

Are you struggling to provide toys for your children this holiday season? We can help.

2018

Play it Forward Pittsburgh is a gently used children's toy drive. We are collecting gently used or new toys, books, games, electronics, sports equipment, bikes and movies and offering them free to families in need.

On Saturday, December 15th, 2018 from 8am - 3pm, families in need of toys for their children can come and "shop for free" at the David L. Lawrence Convention Center. Each family is invited to take up to 3 toys and 3 books per child for FREE while supplies last.

Families do not need to sign up or register, just show up that day. The shopping event is first come, first served. We will distribute toys until 3 pm or until the toys are gone, whichever comes first.

All you have to do is show up! You are not required to bring any documentation or your children with you. We work on the honor system. We ask that you honor the system.

Important Line Up information: When coming to line up to shop for toys, you should line up at the outside doors to Play it Forward Pittsburgh's location. **You MUST line up outside the Convention Center West Hall in front of the outside doors.** We will begin to hand out wristbands beginning at approximately 6 am. You must be present and in line to receive a wristband. If you arrive prior to 6 am it is recommended that you remain in line until wristbands are distributed. The lineup area is outside so please dress appropriately. When you receive your wristband it will have a specific time written on it for you to return and shop. You will not need to remain in line once you receive your wristband.

We recommend you return to the Convention Center 15 minutes prior to your shopping time. You do not need to line up again outside, instead proceed to Hall E for shopping line up. We will invite shoppers into the shopping area to shop for their children at the time shown on your wristband. The line will continue to move until all shoppers have shopped or all toys have been distributed, whichever comes first. The order is determined by your wristband time and number. **Shopping will begin at 8 am.**

It is recommended that you bring your own shopping bag(s) with you on shopping day! This information will be shared with you again on shopping day.
