TOY DRIVE

2026

Do you ever feel like you have too many toys in your house? And wonder where are you going to put all the toys your children get for Christmas? Donate them to Play it Forward Pittsburgh! We're collecting gently used toys and then offering them free to families who are in need or might be having a tough year.

There are a few ways that you can help :

- Donate your gently used or new toys, games, electronics, sports equipment , bikes , and movies (dvd only)
- Donate supplies
- Donate your time and bring your families
- Donate funds via Paypal to playitforwardpittsburgh@gmail.com
- Share this information with someone who may need some gently used toys this holiday season

Play it Forward will take your gently used toys and offer them to families in need. Simply drop off your toys to any of our drop off locations throughout the region by their drop off date.

Those in need can sign up for a distribution box or a shopping time to select gently used toys beginning November 16, 2026. Distributions will take place on Friday, December 11, 2026 & Saturday, December 12, 2026.
